We have initiated a few changes this year:

- **Garbage** removal will be handled by our staff and is now included in new pricing. We have made it all inclusive since 2018. Prices have not increased. **HOWEVER! Garbage is still a responsibility vendors must take seriously! Cardboard is to be flattened. Ground area is to be picked of all debris. Liquids need to be in proper and sealed containers. Garbage should be contained in Garbage bags.**
- **Parking:** Due to the limited amount of parking surrounding the Feast grounds we ask you use the local churches and town parking for close convenience. Local residential areas **MUST** stay clear for residents! Please take advantage of local churches or valet for accessible parking.
- Vendors with trucks or trailers must submit a copy of their NYS registration so that we can accurately determine how much footage they truly need. Please list the total feet needed!
- All vendors must submit, with their application, a certificate of insurance naming San Gennaro Feast of the Hamptons, Inc. as an additional insured.
- We ask that you arrive early this year so that Good Ground Road is cleared of vehicles by 9 am. Any vendor who arrives after 8am **WILL NOT** be allowed to drive to their vendor location. They will be asked to transport their equipment from the designated vendor parking area. The Town of Southampton prohibits vehicles on the road after 9am. This is not negotiable.
- All vendor paperwork must be mailed to: San Gennaro Feast of the Hamptons

Sincerely,
